TERMINAL DISCLAIMER

Sir:

International Business Machines Corporation, having a principal place of business at New Orchard Road, Armonk, New York, and owners of the entire right, title and interest in the above-identified application, as evidenced by an Assignment executed by the inventors in January and February, 2003 and filed in the U.S. Patent and Trademark Office for recording on February 25, 2005 as evidenced at Reel 015155, Frame 0348, hereby disclaim the terminal portion of any patent granted on the above-identified application which would extend beyond the expiration date of a patent granted for corresponding commonly assigned U.S. Patent No. 7,115,965, issued October 3, 2006, and hereby agree that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to the patent shall be the same as the legal title to said commonly assigned U.S. Patent No.

7,115,965, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors or assigns.

Respectfully submitted,

By

Dr. Daniel P. Morris, Esq.
